MtS ADVENTURE RACE JAPAN 2025

Fund Allocation Summary

Our vision for ARJ 2025 fund allocation: The full ARJ 2025 Statement of Intent document will be available shortly for download. Below is a summary of key focus areas.

- Raise the vital funds needed to continue our global work.
- Expand the reach of our practical and emotional welfare support.
- Grow our dedicated Frontline Services
- Increase awareness of the mental health challenges seafarers face.
- Continue lobbying for improved safety conditions.
- Improve the support available to every seafarer.

How money raised from the ARJ2023 event was allocated: Please see ARJ 2023 Allocation of Funds document for full details. Below is a summary of key spend.

Sustainability: The Mission to Seafarers established an Environmental Action Group with a view to improving its environmental impact. Funds were allocated to support research and a part-time Sustainability Manager.

Green environment: Garden havens were created at Seafarer Centres to contribute to the improvement of health, mental wellbeing and the wider environment.

Frontline team training: Provision of necessary training for frontline staff and the enhancement of skills to meet seafarers' evolving needs.

Japan: Funds were allocated to support operations in Japan with money for additional minibus running costs.

Investment in Key Welfare Hubs – Tuas Singapore & Rotterdam: As part of the MtS five year plan, money was allocated to enhance services in Singapore and Rotterdam to offer a wider portfolio of services and develop Key Welfare Hubs in these busy locations. In Rotterdam, fund allocation is also covering the running costs of an additional vehicle.

Family Support Philippines: Funding for the expansion of services has enabled MtS to support a greater number of Seafarer families across the Philippines.

Family Support India: Focus has been on consolidating and expanding family support teams within India.

Justice & Welfare Manager Dubai: Funds have been made available to enable the support of abandoned seafarers in Dubai and contribute to the cost of a dedicated Justice & Welfare Manager.

The purchase of a new vehicle in Bahrain: Facilitating ship visits and enabling the provision of support to a greater number of seafarers.

Latin America: The hiring of an additional team member in Panama to increase MtS impact in Latin America.
